### **Purpose and legal basis of data processing**

Many functions of our homepage can generally be used without processing personal data. ("Personal data" are, according to Art. 4 No.1 GDPR, all information relating to an identified or identifiable natural person).

In the context of the comfortable use of our homepage, aconno GmbH may process personal data from you, the user, in particular in the context of providing information about the products and solutions:

- To allow you to navigate our website in a basic way (connection data and your use of our website).
- To enable you to navigate our website more easily and comfortably (usage data; browser version, type and version status of your hardware used, e.g. mobile device or PC/Mac; your login data, if applicable).
- To prevent Internet fraud and ensure our system and data security (IP address used, type of hardware you use, passwords in encrypted form if applicable).

Personal data is only stored if you consent to provide it to us, especially in a contact form to create an offer for toiit®. Lights products:

- First and last name
- Company affiliation
- Contact details (postal address, telephone number, e-mail address)

Insofar as aconno GmbH enables thyssenkrupp Materials IoT GmbH to prepare an offer, aconno GmbH may process the following data on behalf of thyssenkrupp Materials IoT GmbH and forward it to the latter on the basis of your consent:

- First and last name
- Company affiliation
- Contact details (postal address, telephone number, e-mail address)

The legal basis for the collection of said data is:

- Provision of our services to users, identification, control of the authorization to access the offer (Art. 6 para. 1 lit. b) GDPR).
- our legitimate interest in ensuring the best quality of our services and in improving the operation of our website and our application (Art. 6 para. 1 lit. f) GDPR).
- the consent of the users, insofar as this is required by applicable law, in particular with regard to cookies (Art. 6 para. 1 lit. a) GDPR) and the pass on of data for the purpose of preparing the offer.

### **Duration of storage**

Unless an explicit storage period is specified at the time of collection or consent thereto, your personal data will be deleted if it is no longer required to fulfill the purpose for which it was stored, unless legal retention obligations prevent deletion.

### **Your rights as a data subject**

As a data subject, you are entitled to the following rights vis-à-vis aconno GmbH in accordance with the General Data Protection Regulation:

- Right to information about the nature, scope and purpose of data processing (Art. 15 GDPR)
- Right to rectify inaccurate personal data (Art.16 GDPR)
- Right to withdraw consent (Art. 7 (3) GDPR)
- In case of expiry or revocation of consent, right to deletion (Art.17 GDPR)
- Right to restriction of data processing (Art.18 GDPR)
- Right to data portability (Art.20 GDPR)
- Right to object (Art. 21 GDPR)

You also have the right to lodge a complaint against data processing with the competent authority at the registered office of aconno GmbH: State Commissioner for Data Protection and Freedom of Information of North Rhine-Westphalia, Kavalleriestr. 2-4, 40213 Düsseldorf, P.O. Box 200444, 40102 Düsseldorf.

### **No disclosure of personal data**

aconno GmbH does not pass on any personal data to third parties without a consent or legal basis stated in this declaration.

### **Links to other websites**

The offer also contains links to third-party websites, over whose content aconno GmbH has no influence and therefore cannot assume any liability for this third-party content.

### **Security**

As the controller, aconno GmbH has implemented numerous technical and organizational measures to ensure the most complete protection of personal data processed through this website. Nevertheless, Internet-based data transmissions may be subject to security vulnerabilities, so that absolute protection cannot be guaranteed. For this reason, every data subject is free to transmit personal data to us by alternative means, for example by telephone.

aconno GmbH takes appropriate technical and organizational measures to protect personal data against unlawful destruction, use or alteration and against unauthorized disclosure.

We point out that data transmission over the Internet (e.g. communication by e-mail) security gaps. A complete protection of the data against access by third parties is not possible.

### **Cookies**

For information on cookies and their use, please refer to the cookie instructions.

**Information not included in this privacy statement**

Further information about the collection or processing of personal data can be requested from the provider at any time via the listed contact details.
